

Let's Camp Bear Adventure Loop

If you would like your Scout to work on earning the Let's Camp Bear Adventure Loop at the Pack Camping Trip at Two Rivers State Recreation Area on May 17-18, please complete the following activities with your Scout at home before the campout begins. This Adventure Loop has five requirements.

1. Together, you and your Scout need to read page 220-221 in the Bear Handbook (your Scout is technically still a Bear until May 31).
2. Guide your Scout as he read and completes page 222-225 in his Handbook. Once he has completed these pages and his parent/guardian has signed and dated them, then scan or photograph the completed pages and email or text them to your Den Leader as proof that your Scout completed Requirements 1-3. If you have already done these requirements and your Den Leader knows about it, then you do not need to do them again.
3. When you arrive at the Pack Camping Trip, please see one the Pack Adult Members for the directions for Requirement 4. It involves having your Scout help choose a good tent location and assist in setting up the tent.
4. The last requirement for this loop, Requirement 5, will be fulfilled by attending the Pack Camping Trip. Once your Scout has helped set up your tent and attended the campout, then the Pack will inform your Scout's Den Leader that he has completed these requirements.
